INSURANCE POLICY

The Craniofacial Pain Center of Georgia does not file or accept assignment from medical insurance companies, due to many reasons such as: inconsistencies in benefit information, extreme delays in payment, multiple denials of a claim for no legitimate reasons, do not pay directly to our office since we are not a network provider.

We need to inform you that you are entering into a relationship with the doctor in which the doctor agrees to treat the patient and the patient agrees to pay the doctor's fees for that treatment. The insurance company has NO relationship with the doctor.

As a courtesy to you, we will prepare two copies of a paid invoice form and any supporting documentation that we feel the insurance company may need for each visit with us for which there is a charge. Always keep one copy for your records.

Any additional information needed to process your claims will be provided upon request from the insurance company.

We suggest to all patients that they contact their insurance company to find out their TMJ/Apnea benefits, policies and limitations. Remember, insurance companies give estimates and benefits over the phone, however they are ONLY estimates and are not always accurate or a guarantee of reimbursement.

FINANCIAL POLICY

Fees are paid as services are rendered. We accept all major credit cards, VISA, MASTERCARD, DISCOVER, AMERICAN EXPRESS and or CASH.

Payment plans for the estimated treatment may be made with Care Credit Services upon prior approval of your credit application. Several payment options, (with and without interest) are offered.

I will pay for services rendered on the date of service. I acknowledge that I have read this form and that I fully understand its contents that I have been given ample opportunity to ask questions and that all questions have been answered satisfactorily.

THIS IS NOT A CONTRACT NOR AN AGREEMENT TO SEEK TREATMENT
